## Highlights and Important Information

PGL at Liddington was a great success and enjoyed by all. Our children persevered with activities, practiced resilience and risk taking within a safe environment. They also worked together, many were able to self-regulate and manage their emotions and behaviour successfully throughout.

WHF Cycle Challenge for Shamrock in Nepal was a celebrated event by all White Horse Federation Schools. The visit to Nyland was really well received by pupils who were commended for their behaviour and were complimented on for the many good questions asked.

## In the Classroom

Our Y6 pupils are coming to the end of their time with us at Nyland and are thinking about endings and new beginnings. They have visited their secondary schools and are preparing for transition through meeting staff and visiting the schools.

The rest of the school are also beginning to think about the end of the year and preparing for our summer fete which we hope to see all our parents at.
