Homework  
Term 6  
Super Structures**

**TASK 1**

Can you draw and design your own super structure.

**TASK 2**

Choose a famous structure from around the world and write a fact file about it.

**TASK 3**

Make a structure of your own using materials at home - this can be finished at school

**EQ FOCUS**

Our EQ focus is self confidence / self esteem  
How you feel about your abilities and how you feel about your abilities in a variety of situations

**EQ TASK**

How can you improve your self esteem?  
Choose some acts of kindness to do at home with your family, eg. Make a cup of tea for a parent, feed your pets, clean and tidy up your room and other rooms in the house, put the bins out or something else. Do these every day for a week and on Friday think about how being kind to others makes you feel better
