

Avebury Class : Term 4

Homework

Ice age and dinosaurs

.EQ: Empathy

Definition: Empathy is the ability to understand and share the feelings of another (Oxford Languages)

<u>Task 1</u>	Some dinosaurs were over 6 metres tall. Research the heights of 5 different types of dinosaur and put them in order of smallest to largest. Measure yourself and work out where you would go in the order.
<u>Task 2</u>	Choose a dinosaur Find out information about them. Create a fact file. E.g. Where did they live? What did they look like? What did they eat?
<u>Task 3</u>	Create a list of foods that herbivore and carnivore dinosaurs might eat if they were alive today. Create a dinosaur menu being as creative as you can.
<u>Task 4</u>	Make a dinosaur fossil https://www.bbc.co.uk/cbeebies/makes/presenters-making-a-fossil You will need: 200g salt 150g flour 150g coffee grounds 100-120ml cold coffee or water Dinosaur toy <ul style="list-style-type: none">• Combine salt, flour, and water in a small bowl or dish. Mix well until a soft dough forms.• When the dough forms, pinch off small fistfuls to shape into flattened rounds, similar to the shape and size of a cookie.• Press your dinosaur toy into the dough.• Bake at 200 degrees until your fossils are dry.

Task 5 EQ task	Our EQ focus is Empathy. Empathy is the ability to understand and share the feelings of another Choose a friend or a family member to observe during a day. Can you name their feelings at least 3 times that day? How do you know how they were feeling? Have you ever felt the same way?
---------------------------------	--

Reading	Try to read to an adult for at least 5-10 minutes a day. Record the reading in your reading record book
----------------	--

You may also want to try some of these activities:

- Quiz: What dinosaur are you?

<https://www.nhm.ac.uk/discover/what-dinosaur-are-you.html>

- Create a Top Trump game about dinosaurs
- Draw a Diplodocus - Britain's biggest dinosaur

<https://www.nhm.ac.uk/discover/britains-biggest-jurassic-dinosaurs.html>

- Using a safe search engine (SMART - remember!) make a list of prehistoric beasts.
Are any of them still alive/not extinct?
