

Savernake Class

Term 4 - 2019 Homework

'Lotions & Potions'

EQ: 'Feeling Safe'

'Feeling safe means you do not anticipate either harm or hurt, emotionally or physically.'

<u>Task 1</u>	Choose some magical objects to make. Plan and draw your design on a piece of paper, make a list of what you will need, then make your magical objects. <i>e.g. a witches or wizards hat, a book of magic potions, a magic wand or mini broomstick...</i> Afterwards think about what you like most about it and one thing you would change.
<u>Task 2</u>	Use the internet or visit the library to find out about witches or wizards from the past. Choose your favourite one to write a summary about. Explain who they are, what they did etc.
<u>Task 3</u>	Imagine you have gone for a walk and you find yourself in a magical laboratory; create a picture, collage or painting of what magical and mysterious things you would see there.
<u>Task 4</u> EQ task	Draw or describe your safe place - somewhere that you feel protected, for example, in a corner, under a bed etc. Talk to an adult about your safe place - why you feel safe there and in what kind of situations you find it useful to use it.
