

School Newsletter

Date: 25/01/19

Highlights and Important Information

We have a new school website which will launch this week at:

<https://www.nyland-pri.swindon.sch.uk/>

Please do have a look and let us know what you think or if anything is missing or incorrect.

There is also a great site recommended by one of our therapists about raising resilience in children:

<https://www.theguardian.com/lifeandstyle/2019/jan/05/six-ways-to-raise-a-resilient-child>

This link is available on our school website.

Parking

As mentioned in previous newsletters, we hope all parents show respect towards our school neighbours at all times. Please don't block driveways or access for emergency vehicles with cars on the school run. We are now working with our local PCSO to improve parking and two of them have started visiting the area to monitor parking. Please do not do drive onto site to drop off or pick up your children at the start and end of the school day, unless you have a disabled parking badge, as this creates a risk to children. Nythe parents have been given the same message. Many thanks for your understanding.

Please note our Facebook link below

<http://www.facebook.com/nylandschool>

- Pupils **must wear uniform** to school please. If you have any reason why this is not possible please let us know so we can support with this.
- Can you please put your child's name in their jumper so we can get it back to them if they leave it at school.
- Please note that if your child is unwell enough to need medication, then they should be at home. We are able to administer medication under the following circumstances *only*:

- Travel sickness medication
- The remainder of a course of antibiotics, provided a Dr has said the child is well enough to attend school
- Regular medication agreed on health care plans
- Allergy medication
- Paracetamol after a procedure, provided the child is cleared to be in school by a Dr
- If we are administering medication we will need the following:
 - Clearly marked medication with the child's name and dosage
 - A letter signed by the parent or carer giving permission for us to administer the medication
 - A Health Care Plan for ongoing medication

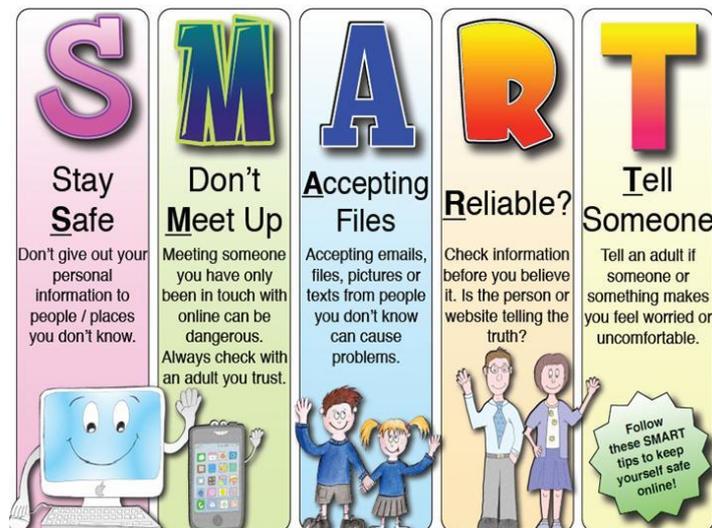

In the Classroom

Please remember:

To find out about homework, topics, learning and what your child has been up to in class, you can access our school website at: <http://website.nyland.eduprise.stage77.com/>

Safeguarding IT/Social Media Information

Keep your child safe when using all media

Important Dates

Family Friday 15/02/19 – school finishes at 1:30pm

Pupils return to school 25/02/19

Supporting Your School

If you would like to take part in a parent group where you can meet and chat and join in with the school events, make suggestions or access useful information, then please contact our parent support advisor, Michelle Wynn, through our office, and let us know how you would like to be involved.

Attendance

Regular attendance at school is really important for pupils to develop feelings of safety and belonging. Pupils also need to have good relationships with adults and other pupils in order to be able to take risks in their learning and progress. If they have consistent attendance then they are better equipped emotionally and with the learning skills that they need to progress. Please make sure your child attends school every day unless they are ill and then please let the school office know. Please note that any attendance below 95% will be addressed through a graduated response starting with a letter from the Education Welfare Officer and progressing to meetings if appropriate.
