Highlights and Important Information

We are starting an internet safety group with our pupils to highlight how to keep safe online and why it is important. Please talk to your child about being safe on the internet.

This term our pupils will be going out to the beach and have started to discuss types of power including wind power. Our pupils are thinking about fossil fuels, ways to create power and how to ensure the protection of our environment. The outdoors and environment provides pupils with real life experience and learning they can see and think about in real life.

- Pupils **must wear uniform** to school please. If you have any reason why this is not possible please let us know so we can support with this.
- Can you please put your child's name in their jumper so we can get it back to them if they leave it at school.

In the Classroom

Please remember:

To find out about homework, topics, learning and what your child has been up to in class, you can access our school website at: <http://www.nyland-pri.swindon.sch.uk/>

Safeguarding IT/Social Media Information

Keep your child safe when using all media

POPUK will be with us in school from 08/01/19 to 11/01/19

Parents will be invited to join us for the 'participatory concert' on the 11/01/19

Supporting Your School

If you would like to take part in a parent group where you can meet and chat and join in with the school events, make suggestions or access useful information, then please contact our Parent support advisor, Michelle Wynn, through our office, and let us know how you would like to be involved.

Attendance

Regular attendance at school is really important for pupils to develop feelings of safety and belonging. Pupils also need to have good relationships with adults and other pupils in order to be able to take risks in their learning and progress. If they have consistent attendance then they are better equipped emotionally and with the learning skills that they need to progress. Please make sure your child attends school every day unless they are ill and then please let the school office know. Please note that any attendance below 95% will be addressed through a graduated response starting with a letter from the Education Welfare Officer and progressing to meetings if appropriate.
