### Highlights and Important Information

Our pupils are coming up with great ideas about how to engage in restorative acts. From cupcakes to hugs, apologies and showing good listening, our pupils are finding they can reflect and restore when things go wrong. In this way they are learning that we can turn things around and that relationships can be repaired. This builds self-esteem, empathy and resilience for life.

- Pupils **must wear uniform** to school please. If you have any reason why this is not possible please let us know so we can support with this.
- Can you please put your child's name in their jumper so we can get it back to them if they leave it at school.

### In the Classroom

## Supporting Your School

**If you would like to take part in a parent group where you can meet and chat and join in with the school events, make suggestions or access useful information, then please contact our Parent support advisor, Michelle Wynn, through our office, and let us know how you would like to be involved.**

## Attendance

**Regular attendance at school is really important for pupils to develop feelings of safety and belonging. Pupils also need to have good relationships with adults and other pupils in order to be able to take risks in their learning and progress. If they have consistent attendance then they are better equipped emotionally and with the learning skills that they need to progress. Please make sure your child attends school every day unless they are ill and then please let the school office know. Please note that any attendance below 95% will be addressed through a graduated response starting with a letter from the Education Welfare Officer and progressing to meetings if appropriate.**
