Term 4 Homework

Space

TASK 1

Imagine you are going on a long space journey. What 10 items would you take with you? Explain why they would be important.

TASK 2

Use any materials you can find at home to create a space rocket.

TASK 3

Create a space themed board game or card game to play with friends or family (e.g. similar to top trumps or frustration).

EQ TASK

Our EQ focus is RESILIENCE. Design a poster to show ways in which we can show resilience.
