Term 5 - 2019 Homework

'Blast Off'

EQ: 'Managing Relationships'

'Managing relationships means being able to make and keep friends by overcoming difficulties.'

<u>Task 1</u>	Imagine you are going on a long space journey. What 10 items would you take with you? Explain why they would be important.
<u>Task 2</u>	Create a space themed board game or card game to play with friends or family. It could be like Top Trumps or snakes and ladders.
<u>Task 3</u>	Look on the internet or in the library for interesting facts about space travel and the solar system. Make a poster or leaflet to share your facts.
<u>Task 4</u> EQ task	What makes a good friend? Write a recipe using all the ingredients that make a good friend. You can present it in an artistic way.
