

TASK 1

Create an environmental superhero who encourages people to look after the planet? What special powers might he / she have?

TASK 3

Investigate the journey of a plastic bottle from production to recycling. Record your information as a flow chart.

EQ FOCUS

Resilience: the ability to bounce back quickly from difficulties

TASK 2

Design a persuasive poster encouraging others to recycle and look after our world.

EQ TASK

Design a poster to show ways in which we can show resilience.

Uffington Homework Term 4

Recycling
