

TASK 1

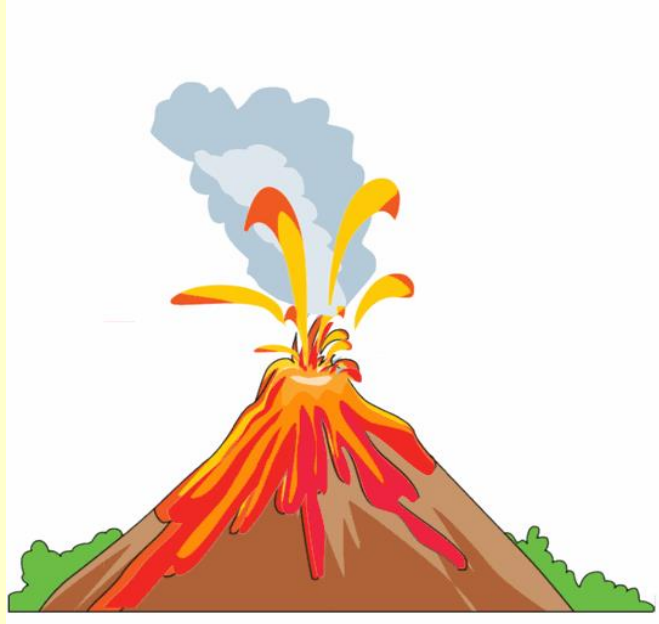

Research information about some volcanoes or earthquakes around the world and use this to create some top trump cards

TASK 2

Research the size of Volcanoes around the world in metres. Create a table which puts them in order. Choose whether you start with the biggest or smallest.

Uffington Homework Term 5

Extreme Earth

TASK 3

Design a leaflet to encourage people to visit an area that is next to a volcano or is in an area that has lots of earthquakes

EQ TASK

Our EQ focus is **EMPATHY**. Empathy is about putting yourself in somebody else's place. If you see that someone is busy or needs help - can you help them out?
