

The Antarctic

TASK 1

Animals living in the Antarctic need to be very resilient to survive.

Design an animal and explain how it is adapted to survive in Antarctica.

TASK 2

Ernest Shackleton and his crew were stranded in the Antarctic. They needed resilience to find food and shelter.

Write a diary extract to explain how Ernest and his crew found food and shelter to survive.

Uffington Homework Term 2 RESILIENCE

TASK 3

Antarctica is a very harsh environment. People need to be resilient to travel there.

Plan a trip to Antarctica for you and your family.

What would you pack?

What would you do?

Where would you stay?

EQ TASK

Our EQ focus is RESILIENCE.

Resilience is the ability to bounce back quickly from difficulties

EQ TASK

Build a structure/home for people to live in in Antarctica.

Decide what materials to make it from.

What can you do if it doesn't work first time?
